Owner's Acknowledgement:

The undersigned, as owner of the property to which this building permit application applies, hereby, acknowledges that a permit issued shall not be construed as authority to violate, cancel, alter, or set any provision of the Building and Sanitary Code of the Grand Bahama Port Authority, Limited; that neither The Grand Bahama Port Authority, Limited nor any of their officers and agents shall incur any liability of any kind in respect to this or any other permit; and that compliance with the Building and Sanitary Code is the sole responsibility of the owner.

The undersigned also acknowledges that a permit issued shall not be construed as authority to set aside or override any requirement or restriction which is binding upon the owner or occupier of any lot under the terms of the lease, conveyance, or title deed under which he or she owns or occupies.

The Owner acknowledges that the Contractor, Architect and/or individual submitting the plan does so as their Agent and is authorized to collect the plan on their behalf, unless such authorization is revoked in writing and delivered to the attention of the Building and Development Services Department.

Contractor/Architect/Engineer's Acknowledgement:

I the undersigned acknowledge that all copies of final plans, working drawings and detailed specifications (and any amendments thereto) (collectively, the "Plans") submitted in connection with Lot _____ Block _____ Subdivision _____ (the "Premises") shall remain the property of the Owner of the premises at all times. I further acknowledge and agree that I am submitting the Plans as an agent of the Owner and that at any time the owner can revoke my authorization to collect and/or deal with the plan.
